

MARMAC

SHORTHORN DISPERSION

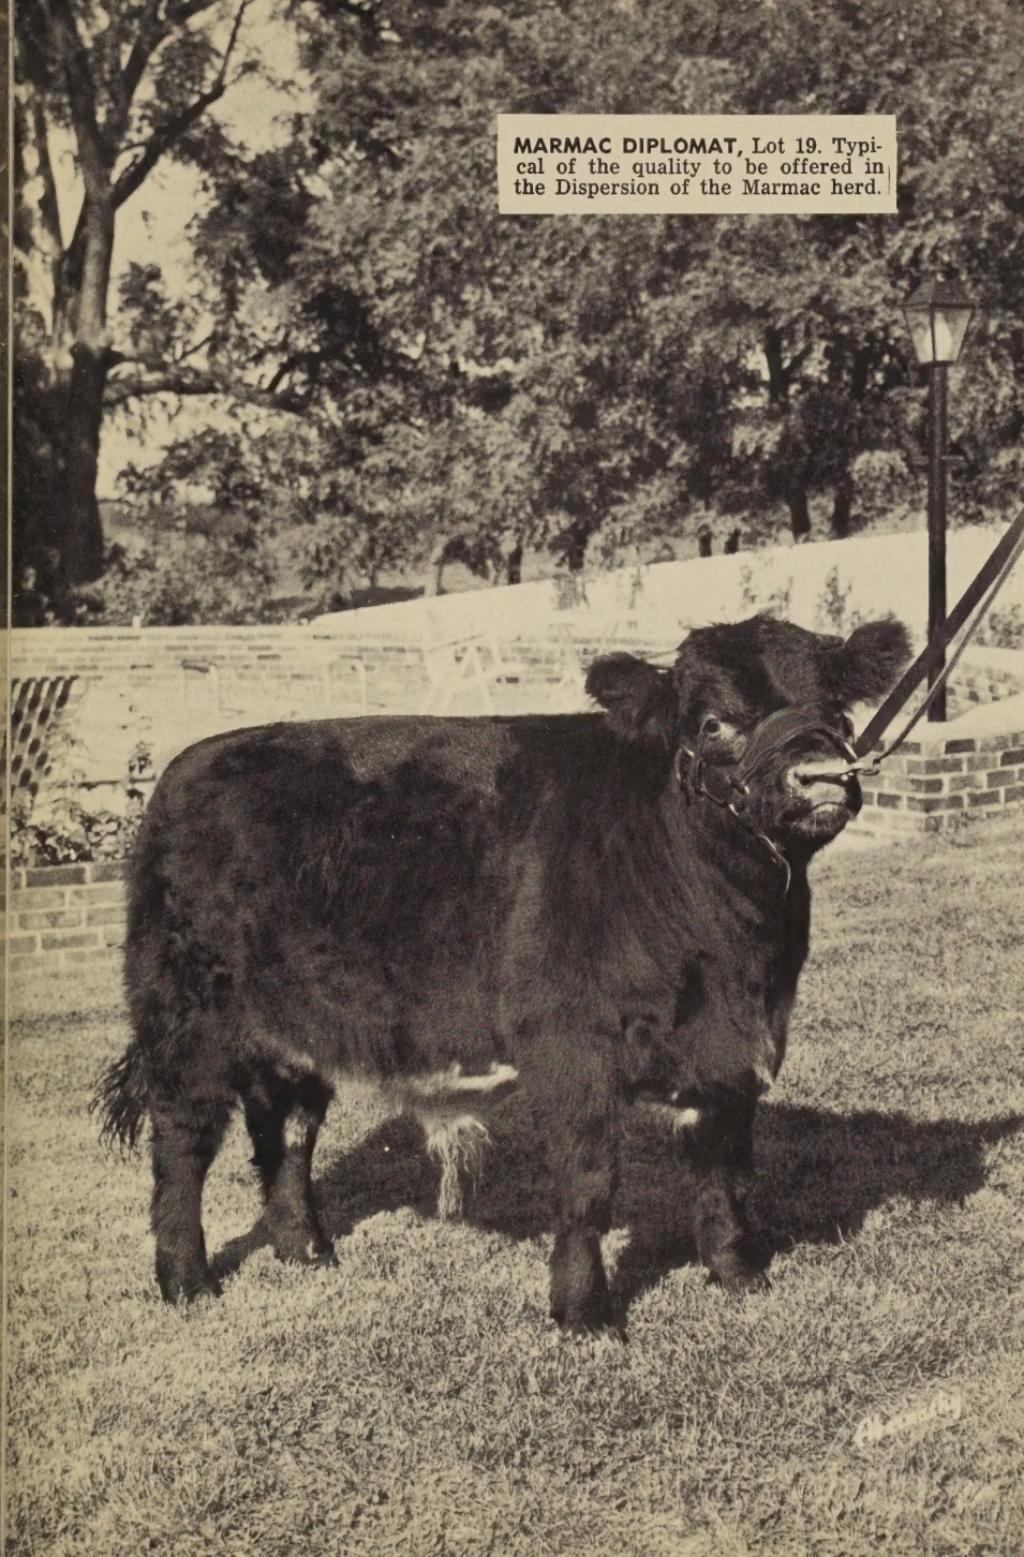

SATURDAY, NOVEMBER 17, 1962

at the farm near

CLARKSVILLE, MISSOURI

109 LOTS

MARION MACKEY, Owner

MARMAC DIPLOMAT, Lot 19. Typical of the quality to be offered in the Dispersion of the Marmac herd.

— GENERAL SALE INFORMATION —

TIME—The auction will begin promptly at 12 Noon, Saturday, November 17, 1962. Lunch will be served by ladies of the church from 11 a.m. on.

LOCATION—Marmac Farms, Clarksville, Missouri. Located approximately 4 miles south of Clarksville on the main county blacktop road leading south and west from town (Hwy. W).

SALE STAFF—Mail bids may be directed to any of the following all of whom will be in attendance at the sale:

Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Ill.

Gene Fitzgerald, Corn Belt Dailies, 416 Cherry Hill Rd. N.W., Cedar Rapids, Iowa.

Mark Dempsey, The Missouri Ruralist, Shelbina, Missouri.

J. E. Halsey, Auctioneer, Box 1317, Des Moines, Iowa.

Don Smock, Auctioneer, Whiteland, Indiana.

Ken Barnacle, Auctioneer, Ellisville, Missouri.

Allan Sudholt, County Agent, Bowling Green, Missouri.

TELEPHONE AT FARM—Clarksville, Missouri, CI 2-3580. Area Code 314.

SALE HEADQUARTERS—Duvall Motel, Clarksville, Missouri.

TRANSPORTATION—Best connections to this sale would be either into St. Louis (approximately 70 miles) or Hannibal, Mo.-Quincy, Ill. (approximately 35 miles). We will be glad to meet your train or plane at either point, and to take you back, if sufficient advance notice is given. Call Marion Mackey, Clarksville, Missouri, CI 2-3580, office phone, Louisiana, Missouri, SK 4-5585.

HEALTH—The herd is Federally Accredited for T.B. and Certified for Bangs. Calfhood vaccination of females has been practiced for many years. Health charts will be provided. This sale is being conducted under the health laws of the State of Missouri.

SHIPMENT OF CATTLE—We will be glad to hold cattle purchased at no cost for a reasonable period of time so you can make best arrangements for shipment. Good truckers are available in the area at reasonable rates.

BREEDING DATES—and other further announcements will be furnished at the sale. All announcements from auction block supersede written material.

TERMS AND LIABILITY—The terms of the sale are cash. Checks are to be given to the clerk at the conclusion of the auction. Please leave shipping instructions with manager Floyd Watts. Marmac Farms, its owner and employees will not be responsible for accidents that may occur. Every person attending must do so at his own risk. The Sale Manager was retained for specific tasks, promotional and clerical, and has no connection with the handling of the cattle, the condition of the premises, the contract, or health papers. All stock will be at buyer's risk as soon as bid off. Each sale constitutes a contract between buyer and seller of each lot.

MARMAC FARMS

SHORTHORNS

Dear Friend:

It will be obvious to the reader of this catalog that Shorthorns at Marmac have been very much a project of the entire family. Since I made my first purchase, a 4-H steer in 1926, Shorthorns have been an integral part of our lives. They have been very profitable as well as a great source of pleasure.

Shorthorn people the world over are truly the salt of the earth. The many friendships and acquaintances that we have made throughout the years are priceless.

Thus, it is with much regret that we find it necessary to disperse our Shorthorn herd because of farming and other business interests. Our interest in Shorthorn and Shorthorn people will continue and the latchstring at Marmac will always be out to all lovers of Shorthorn cattle.

MARION MACKEY
CLARKSVILLE
MISSOURI

Marion Mackey

— REFERENCE SIRES —

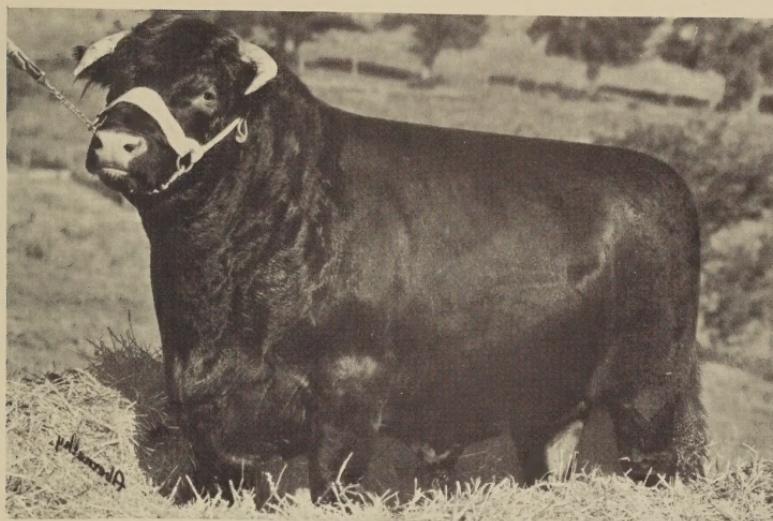

IMP. PHOPACHY KING CHARLES — Phopachy King Charles was bought at Perth in 1954 and lived up to his rich heritage by siring many top cattle for Marellbar and Marmac as well as both second prize junior and senior gets at the 1957 International Livestock show. His calves have averaged over \$1500. Six daughters are in the sale.

IMP. BEAUFORT DESTINY — Beaufort Destiny sired the greatest lot of females ever produced at Marmac. They were cows with great heads and pleasing horns, with tremendous depth and thickness, good quarters, sound legs and exceptionally good doers. Seven daughters are still in the herd — many granddaughters.

— REFERENCE SIRES —

IMP. GARGUSTON COCK ROBIN

IMP. GARGUSTON COCK ROBIN — The first of a long line of successful imported sires used at Marmac. Purchased in 1942. Cock Robin's sire, Magheramorne Commodore, was himself reserve champion to his own grandsire who had the unique record of being supreme champion at the Royal Dublin and Royal Ulster shows for four consecutive years, 1936, 1937, 1938, and 1939, and also supreme champion at the Royal Dublin Society show in 1940. The grandsire of Cock Robin, Magheramorne Misanthrope, was second highest price sold in the Argentine in 1939. Magheramorne Charity, the paternal granddam of Cock Robin, was first prize winner in 1938 and 1939 at the Royal Dublin and Royal Ulster shows. The dam of Garguston Cock Robin, Golden Vicki, was a top cow of the Harding importation of 1940 and was a full sister to the great Canadian bull, Imp. Garguston Golden Victor. Garguston Liberator that was junior champion at Perth in 1942 and afterwards sold to the Argentine for 60000 pesos, was a three-quarter brother to Cock Robin. Cock Robin himself was never shown but his sons and daughters from the start, have carried his challenge through available midwest shows and his record is nothing short of sensational. At three Missouri State breeders shows his calves have won four championships and one reserve championship. Also at the International Congress where one daughter and one son were shown, they were first and second.

Left, Second prize Senior Get of Sire, 1957 International. Sire: Phopachy King Charles. He also sired the second prize junior get

— REFERENCE SIRES —

IMP. MORPHIE PAYMASTER

Morphie Paymaster was the Reserve Junior Champion and First in Class at Perth, Scotland in 1958. Without question, he is one of the top breeding sons of Calrossie Crocus Count, sire and grandsire of so many other Perth Champions. His dam was one of the deepest, thickest cows the breed has ever produced.

The premature death of Morphy Paymaster was a great loss not only to us but to the Shorthorn breed. However, we recognized his worth from the time his first calf was dropped and we did manage to retain 20 excellent daughters . . . a group which we consider the heart of the herd. Several outstanding sons are also coming on and we predict that these will make great records if they fall into the hands of breeders who intend to go places.

We believe breeders getting started would do well to consider buying a group of these half-sisters.

— REFERENCE SIRES —

MARMAC CAPSTONE. Sold in the International Congress Sale, 1955, where he was first in class to Calvin Olson, Newell, Iowa, for \$1250. He was the first son of Leveldale Capstone.

IMP. LEVELDALE CAPSTONE—

This imported-in-dam son of Corrimony Golden Sovereign sired many good cattle for us including several Missouri State Sale and Pike County show and sale champions, as well as Marmac Capstone, first in class at the International Congress. There are six daughters in the herd.

Right,
IMP.
CREIFFVECHTER
HARVEST

IMP. CREIFFVECHTER HARVEST was a first prize winner at the International Congress. He was out of the same dam as the famous \$6000 Maxwalton sire, Creiffvechter Beacon. Harvest's get were very good headed, smooth, with lots of quality and character.

IMP. CRUGGLETON PEERLESS was used in the late 1940's following on daughters of Gargiston Cock Robin. He was one of the few direct sons of the great Cruggleton Perfect brought to North America. Peerless was very masculine, heavy boned, with deep quarters. Although there are no direct daughters left in the herd, his name is found often in the background of Marmac cattle.

OTHER REFERENCE MATERIAL . . . SCOTTISH SIRES CLOSELY CONNECTED TO THE MARMAC CATTLE

CALROSSIE WELCOME — The most famous bull of the Shorthorn breed in the past 15 years. His influence in the Marmac herd is considerable since we have used one of his last direct sons, Calrossie Tradition (Lot 1), a great-grandson, Glen Cove Banner (Lot 2), and a grandson, Morphie Paymaster. Further, our strong group of imported females practically all trace to Calrossie Welcome. The list of achievements of this bloodline are too long to even attempt to list here.

CALROSSIE CROCUS COUNT — The sire of Morphie Paymaster. At the Perth sales, five sons of Calrossie Crocus Count have won one supreme championship (sold for 7300 gns.), two reserve supreme championships (sold for 5600 gns. and 5000 gns.), and two reserve junior championships (sold for 2300 gns. and 1150 gns.), besides many other prizes. His son, Kair Masterkey, sired the dams of the 1961 and 1962 Perth champions. Another son, Kair Ranger, stock bull at Marellbar was reserve champion at the International. These are just a few of the notables of this line. Calrossie Crocus Count's dam, Moy Crocus 2nd, was female champion at Perth, 1950, where she was bought by Calrossie for 850 gns.

CALROSSIE TRIUMPHANT — Calrossie Triumphant was sold at Perth in 1955 for 5200 guineas to Miss Jean MacGillivray, from whom he was bought privately to succeed Gallant Marshal. He had an unbeaten showyard career in 1958, having been champion at the Royal Highland, Royal English, Great Yorkshire, Turriff, and Keith shows. He is a full brother to the Bapton stock bull, Calrossie Constellation, the unbeaten bull in 1957.

CALROSSIE CONSTELLATION — Calrossie Constellation, undoubtedly the bull of the year in 1957, has retired from the show ring as the only undefeated bull of any breed that year. His breeding record to date is well known. He is the sire of the 15,000 guineas Bapton Constructor whose progeny swept the decks at the Chicago International 1958, winning the male, female, reserve female and supreme awards; also all groups and get-of-sire awards — the most complete sweep ever made at Chicago. Constructor is also the sire of the junior stock bull at Cairnbrogie, Bapton Roan Robin. Constellation is also the sire of the 7000 guineas Bapton Cairnbrogie, the top-priced bull at Perth in 1957, sold to Mr. Sandy Cross, Calgary. His twenty-five sons sold to date have averaged over 2500 guineas each, and his first daughter, Bapton Ramsden Julitha, won the female championship at the 1957 Royal English show, while another daughter sold for 2000 guineas at the Bapton Glamis Reduction sale in 1957. His females in the Bapton herd are outstanding.

BEAUFORT CAUTION — Beaufort Caution won 2nd in his class at Perth in 1957, and was bought for the Shirgarten herd at 1800 guineas. He won 1st prize in his class at the Royal Highland show at Dundee in 1957, also 1st prize in his class at the Royal English show at Norwich in 1957. His sire, Burnton Bankbook, 1st and supreme champion at Perth in 1954, was bought for the Beaufort herd at 7300 guineas. He is the sire of Shirgarten Ranger, 2nd prize winner in the late-January class at Perth in 1959, and sold for 1000 guineas to Mr. Gilbert Elkin, North Dakota.

MORPHIE PAYMASTER at Marmac. Left to right, Joanne Mackey, now Mrs. Nile Bell, Cambridge, Mass.; Mr. and Mrs. Marion Mackey.

BAPTON NORTHWARD BOUND — Bapton Northward Bound, the 1959 bull of the year, has won many championships, including the supreme at the Royal, Great Yorkshire, Royal Lancashire and Turiff shows. He was also one of the Bapton pair to win the Burke Trophy at the Royal show. His three sons won the Pittodrie Challenge Cup for the best three bulls by one sire at Perth, and some outstanding sons are coming on for Perth 1960. Fair Clipper 45th, the unbeaten female in Britain in 1956 was one of the pair to win the Burke Trophy at the Royal, and is the first Burke Trophy winner to produce a son which has been one of the pair to win this coveted Trophy.

BALDOWRIE BALMORAL — The dam of Baldowrie Balmoral, Baldowrie Broadhooks Hopeful, is adjudged by the experts to be the best female in the herd, and is also the dam of Baldowrie Braemar, sold for 1000 guineas to Col. Dewhurst, Dungarthill. Baldowrie Balmoral was chosen to be the senior herd sire by virtue of his tremendous masculine qualities, showing an outstanding head, with very large muscle, and with a wealth of bone substance. In addition, his pedigree was the best available to follow his very successful predecessor, Kirkton Heir, in whose pedigree Calrossie and Cruggleton blood lines predominate.

MARMAC QUEEN JOANNE. Top selling female, 1961 International Congress sale at \$1750 to Northwood Farms, Cary, Ill. Sired by Glastullich Garrison this heifer was out of Bapton Queen Joanne (Lot 20) by Calrossie Constellation. Otto Grosse of Northwood, Mr. and Mrs. Marion Mackey and Janet Mackey are in background.

MARMAC POLARIS. First prize winner, 1961 International Congress sale by Morphie Paymaster. Sold to Maurice Mitchel, Westbrook, Iowa, and Clare Dawson & Son, Rushmore, Minnesota.

These four typical Marmac brood cows are left to right, **MARMAC SECRET** 2d, Lot 32; **HELMOR SARHA**, Lot 109; **AUGUSTA MARY G**, Lot 36; **MARMAC GOLDIE** 3d, Lot 94, with her heifer calf by Calrossie Tradition.

Since the news has been released that the Marmac herd is to be dispersed, I have had many breeders ask the reason. I have known Marion Mackey since I started working with Shorthorns 16 years ago and regard him not only as one of the best cattlemen in the business, but also as a close personal friend. He is one of the busiest men I have ever met, full of energy and quite willing to admit that he has more diverse business and farming interests going at once than one man should attempt to handle.

Marion does not believe in being an absentee owner. He started this herd in 1926 and has lived the cattle business. In the past several years he has not had the time to enjoy the cattle. The herd is at its peak. Thus, the decision to sell.

We do not like to lose herds like Marmac, but a certain number of dispersions each year are inevitable. From these leading herds, old and new, have always drawn strength. This will be another such occasion.

Don Longley, The Shorthorn World

LEVELDALE CUSTOM, typical son of Morphie Paymaster. Levedale Custom was sold in the 1960 Mathers sale for \$2650 to Dorsey Elliott, Sublette, Kansas,

IMP. CALROSSIE TRADITION — Was used in Frank Patton's herd with great success. When we lost Imp. Morphie Paymaster (ref. sire) unexpectedly, this is the only bull I was satisfied with to replace him since I had carefully studied his get in the Patton herd. He is undoubtedly one of the greatest breeding bulls we have ever used. He is still comparably young, very vigorous, and a sure breeder. An outstanding proven sire.

MARMAC DIPLOMAT — Out of Marmac Rosewood 5th who has been picked by several good cattlemen as being one of the top Shorthorn females in North America. It is possible he is the best bull we have ever bred.

MARMAC QUEEN JOANNE. Top selling female, 1961 International Congress Sale going to Northwood Farm, Cary, Illinois, for \$1750. Her dam, **BAPTON QUEEN JOANNE**, sells as Lot 20.

IMPORTED COWS

In addition to the use of eight imported sires in succession since 1942, new imported blood has been introduced into the female herd. In 1960 the Mackeys traveled to Scotland and personally selected a top group of imported females. Other importations were made in 1961 and 1962. These females and their produce are a feature of this Dispersion.

MARMAC ROSEWOOD 10th — A good, thin daughter of Imp. Calrossie Tradition from a very dependable family. Even though she was weaned young, she will develop into a good cow.

Second prize Junior Get-of-Sire, 1957 International by Phopachy King Charles.

Second prize Senior Get-of-Sire, 1957 International by Phopachy King Charles.

EIGHT DAUGHTERS AND GRANDDAUGHTERS OF PHOPACHY KING CHARLES . . .

We were fortunate in obtaining the well known Marellbar sire, Phopachy King Charles, just before he sired the prize winning gets at the 1957 International. Although he died too soon, we did manage to get a couple of calf crops from him from which we saved eight excellent daughters and granddaughters. These are the next lots in this catalog.

BEAUFORT DESTINY

SEVEN DAUGHTERS OF BEAUFORT DESTINY

Many who know the Marmac herd well will tell you that possibly the best sire of them all was Beaufort Destiny . . . and that the record made by subsequent sires should be credited in part to the fact they were bred to Beaufort Destiny daughters.

These Destiny daughters suited us and we were very reluctant to part with the best of them. That is why you will still find seven direct daughters in the herd and many bulls and females out of Beaufort Destiny dams.

MARMAC ROYAL COUNTESS 22nd — Sired by Leveldale Regalia that bred so well in the W. L. McIlroy herd. A member of a family that has produced a lot of top cattle for us.

CRUGGLETON PERFECT BLOOD

Marmac was one of the few herds in America to use a direct son of the great Cruggleton Perfect. This was Cruggleton Peerless, a very masculine, deep quartered bull with exceptional bone and substance. Although none of his daughters are still alive, his influence appears in the pedigrees, second, third, and fourth generation back.
